Workshop Participation Agreement & Liability Waiver

Minor Participant (ages 12–18) + Parent/Guardian

Operator: Hexkit Academy · hexkitacademy.com

Not Arm Mate.

Activity: Hands-on industrial collaborative robot (cobot) workshop (e.g., Fairino FR5 supervised cell; max ~6 at live cell)

Location: Irvine, California area / partner venue named on session confirmation

DRAFT TEMPLATE — Not formal legal advice. California counsel should review before first paid class.

A. Parties

I am the parent or legal guardian of the minor named below (“Participant”), age 12–18. I have authority to sign on Participant’s behalf. Participant and I want Participant to take part in Hexkit Academy’s hands-on robotics workshop using industrial collaborative robot equipment (the “Activity”).

For Series One: A parent or legal guardian should remain on site for the full session unless Hexkit states otherwise in writing.

B. Assumption of risk

I understand the Activity is not a typical classroom lecture. It may involve industrial cobots and robot arms; unexpected motion; pinch, crush, impact, or entanglement; electrical equipment and cables; hand tools; and slips, trips, falls, cuts, bruises, strains, or more serious injury.

Hexkit uses safety practices (instructor controls, speed/force limits, e-stops, marked envelopes) but risks cannot be eliminated entirely. I voluntarily assume all risks of the Activity for myself and on behalf of Participant, known and unknown, inherent in hands-on industrial robotics training.

Parent/Guardian initial: `[INITIAL: risk]`

C. Safety rules

Participant will follow Hexkit rules and instructor directions; stay outside marked robot envelopes unless instructed; never defeat safeguards, e-stops, or locks; and not run unauthorized code on live equipment. Violation may result in immediate removal.

Participant initial: `[INITIAL: rules\_minor]`

D. Medical disclosure & emergency authorization

Participant is reasonably fit for this Activity. I have disclosed any condition, allergy, medication, or limitation Hexkit should know. If emergency medical care is needed and I cannot be reached in time, I authorize Hexkit staff to obtain emergency medical treatment. I agree to be responsible for medical costs not paid by insurance, except to the extent caused by Hexkit Academy's gross negligence or willful misconduct.

G. Release of liability (California)

In consideration for Hexkit Academy allowing Participant to take part in the Activity, and to the fullest extent permitted by California law, the undersigned Parent/Guardian, for myself and on behalf of Participant (a minor), hereby release, waive, discharge, and covenant not to sue Hexkit Academy and its owners, officers, instructors, employees, contractors, agents, and venue hosts named on the session confirmation (the “Released Parties”) from any and all claims, demands, damages, and causes of action arising out of or related to Participant’s participation in the Activity, including personal injury, illness, death, or property damage, whether occurring before, during, or after the Activity, **and including claims arising from the ordinary negligence of the Released Parties.**

This release does not apply to claims for gross negligence, willful misconduct, fraud, or any other liability that California law does not allow to be waived or limited.

I understand enforceability of parental releases for minors is fact-specific under California law. I sign voluntarily after reading this Agreement.

Removal / refund: Hexkit may remove Participant immediately for safety-rule violations or conduct that endangers anyone. Tuition for the affected session is then non-refundable unless Hexkit decides otherwise in writing. This does not limit remedies for Hexkit’s own gross negligence or willful misconduct.
